3. **Approve Minutes:** The Board approved the Minutes of the Regular Board Meeting of March 2, 2017, upon a motion made by Robert Schwandt and seconded by Carolyn Wilson.

➤ The vote was:

Ayes – 5 (Wilson, Kaspereen, Moreno, Schwandt, Barragan)

Noes – 0

Absent – 0

Hearing Session: President Kaspereen extended an invitation to the audience to present matters of concern to the Board. The following individuals came forward:

- Denise McQuillian, Special Education Assistant, thanked Alvord for sending 25 paraprofessionals to the Paraeducator Conference this year and hopes that the Board can attend next year. Ms. McQuillian stated the workshops were awesome.
- Gina Gonzalez, Parent and member of the Norte Vista Boosters Club, expressed the need for additional funding for the Band Program. Ms. Gonzalez thanked Councilman Jim Perry for his donation. Ms. Gonzalez stated that the students have been sharing instruments and uniforms for over ten years and the program is in need of additional funds. Ms. Gonzalez stated that all the money we are spending on this building should be for the students. Ms. Gonzalez attended the LCAP meeting but her questions were not answered.
- Linda Symonds, Loma Vista Middle School teacher, stated that our intentions mean a great deal, our words even more and how we project what we say and why we say it is important. When we allow generalities to replace fact we are in trouble; you need to state your claim, site your evidence and sources. Ms. Symonds applauded the Board for not replacing history books and would like to see more facts regarding the mold in schools.
- Karen Taylor thanked Dr. Salazar and teachers for making this a safe place to raise 3 children and receive a quality education.
- Ari Sprough, Loma Vista Middle School student, expressed positive feedback regarding teachers in the District and at her school site. Ms. Sprough stated teachers work hard and put in a lot of additional hours.
- Joseph Miles read the following statement: It is come to my attention that the school board and the district has told parents that they are not to come to these meetings to air their grievances about how the district spends or allocates money to programs. I hope that is not the case because this is exactly what these meetings are for. I know that the board and superintendent would like these meetings to be all sunshine and roses but you all know you can't please all the people all of the time if in fact parents are being told not to come to these meetings it is not only unethical but illegal every parent and citizen in the district has the right to come to these meetings to speak their minds whether you like it or not. On another matter you allowed the president of the teachers union to show a video of the president of the National Teachers Association giving a speech. There are two things wrong with this, first all speakers should be allowed to show videos if she does. Second and more

HEARNING SESSION

troublesome is because it was a video of a speech, she effectively her three minutes or more to someone else who spoke for her if she had read a copy of the week, it would have been acceptable. The president of the board needs to be more fair in how he runs these meetings and to allow this to happen is totally unacceptable. Just as unacceptable is the board president scolding speakers who ask the audience to allow them to speak without interruption. If he cannot control the audience, he cannot blame the speakers. It is sad to see how poorly these meetings are being run.

- Eva Amezola, Community Representative stated that this is her second and last time coming to ask for Board Member Joseph Barragan's resignation. Ms. Amezola stated that Mr. Barragan continues to ignore the community, attack Dr. Salazar, Leigh Hawkinson and Board of Education. Ms. Amezola indicated that 1,700 signatures are needed to remove Mr. Barragan from his seat. Ms. Amezola asked Mr. Barragan to express his values to the community and be honest. Ms. Amezola asked that Mr. Barragan show evidence and provides a report that shows your account was hacked.
- Leigh Hawkinson, AEA President, read the following statement:
I am Leigh Hawkinson, president of the Alvord Educators Association. I am here tonight specifically to address Jose Barragan. I have quietly listened to the venomous lies you have spewed in these past couple of months and the ridiculous allegations and denials of racism you have made. What I've thought more and more is that your arrogance is only exceeded by your ignorance. You, young man, have no interest in all of the positive progress Alvord has made these past four years. It is clear that your only intention is to try to get rid of Dr. Salazar and me. I'm here to tell you that will NOT happen. You have found no "evidence" of wrong doing and yet you continue to spew the lies. Fact: We have \$70 million more than we had 5 years ago and the cost of this building is a drop in the bucket for the safe, healthy and clean work area it provides for our employees. I notice you don't point out that you receive a stipend and a generous benefits package! Remember, I can make public records requests too. The truth of the matter is that Alvord is in better shape budget-wise than most of the surrounding Districts. The truth is there is no consideration of layoffs here, even tho many Districts around us are laying off teachers. And we have no deficits. If you had even a basic knowledge of school district budgets, you would understand these facts. The truth is you have proven NOTHING and have no facts to back up your lies. A Jack in the Box receipt – really? Lastly, you profess to be the savior of our District and will get rid of bad teachers. Again, your arrogance is only exceeded by your ignorance. There is a little something called the law that must be followed and Dr. Salazar and Mr. Skorpanich have been diligently following it. How you think that at 21 years old you are the judge and jury to what is and is not good teaching is astounding. You, young man, have much to learn and the sad part is that you could have been a positive addition to the Board and District but you have chosen not to be and you must be removed. BTW – you were never elected to your seat, as you state. I will no longer allow the false allegations, misinformation and intimidation to go unchecked. You are on notice that the full force of AEA and CTA will be brought to bear

Mr. Barragan stated it is everyone's civic duty to monitor the district. Mr. Barragan commented about his stipend and said that you can go to transparentcalifornia.com to see how much others make, as it is public record.
