GATE in Alvord

The Alvord Unified School District believes that all students deserve an education that matches their abilities. The Board shall provide Gifted and Talented Education students opportunities for learning at levels commensurate with their potential and by cultivating their exceptional abilities and talents (BP6172a).

Student Identification for GATE

The process for identifying GATE students differs in each California school district. In Alvord Unified School District, we identify at 3rd grade using a universal screening, Naglieri Nonverbal Ability Test. In addition, students are reviewed through CAASSPP testing, recommendation, and/or student portfolios.

GATE Resources

Questions regarding Gifted and Talented Education shall begin at the **school site**. Contact your student(s) classroom teacher, counselor, and/or administrator for resources to support your GATE student(s).

Questions regarding identification can be directed to the GATE office in Educational Services.
