

# AVID 10

## 2022 SUMMER ASSIGNMENT ---- *For the Class Of 2025*

Congratulations on your decision to participate in AVID 10 for the 2021-2022 school year. We believe this was a wise choice and an important part of your commitment to improving yourself by going to a four-year college.

Your very first **AVID 10 summer assignment** will be to complete **20 hours of community service** and to document your involvement through photographs and personal reflections. All information should be professionally typed and synthesized onto a Google Slides Presentation. The **Community Service Hours Log Sheet** should be fully completed and turned in as well. This work is due on the **first day** you return to school next year.

**Late work will receive a 50% penalty.**

### **Community Service**

You may complete your 20 hours at a non profit organization (i.e. church, shelters, school, courts, senior centers, etc...) Ask a teacher if there are doubts. Walking down the street and picking up trash is great, but it is not *community service through an organization*. Neither is bringing sandwiches to random homeless people! Your hours must be logged and signed by a supervisor and parent. (*See attached Community Service Log Sheet*).

**Tips:** Choose a field that interests you so that you may continue to participate in that activity throughout the school year or next summer. In addition to making you a better person, the hours you complete will help you promote yourself to scholarship committees and college acceptance boards!

### **Personal Reflections Presentation (Google Slides)**

In your presentation respond to each question that follows. Be concise but detailed.

1. Where and when did you perform these tasks?
2. What were your tasks? Be detailed
3. Describe what you liked and disliked about your experience?
4. What did you learn from the experience?
5. Would you recommend others to serve at this organization and why?
6. Retell a funny or serious story involving your work that you think is worth sharing. If you did not experience any funny or serious events, write about your first impression of working there.

### **Photo Documentation**

Take *at least 5* pictures to document your involvement with this community service. These photos should be displayed in your Google Slides Presentation. You should be in at least 2 of these pictures. If for some reason photo documentation is not possible, a **hand-written** letter from your supervisor plus pictures of **a few souvenirs** from your voluntary service can be used in your presentation.

**This assignment is worth 200 points!!!!**
