

Especially for Elementary 8 – Aeries

Scores by Class

1. Now you can check scores by class.

2. Click Scores by Class.

The screenshot shows a table with a blue header. The header contains a dropdown arrow, the text "Fun Story", a checkmark, the date "8/16/2016", and "#1 : 100/4". Below the header is a table with two columns: a percentage column and a score column. The table has five rows of data.

%	
74.0	74
84.0	84
100.0	100
75.0	75
83.0	83

3. This is what you will see.
4. The percent column shows you your overall score. To the right you see the assignment. You can now see student performance and have a good measure to see how your students are doing.
