Thompson made a motion to approve. Motion was seconded by Cabeza. All members were unanimous and motion was carried.

III. Discussion/Information

 - Site Parent Involvement Policy
 - Site School Compact
3. School Plan for Student Achievement (SPSA)
 - Review SPSA Goal 2: *Build culture of academic rigor through increased enrollment in AP courses, A-G, and dual enrollment classes.*
 - Review the following data - Cabeza reviewed the following data slides with SSC
 - Graduation rates: our graduation rates have continued to show increases each of the last five years - currently at 95.5% with room to grow and continue to increase.
 - A-G Rates - have fluctuated with 41% in 18-19, 39% 19-20, 46% 20-21 and 44% in 22-23. Given that this has gone back and forth it is still an area fo concern.

- o RCOE Data for attending CSU/UC - not discussed at this meeting
 - o AP Student Data- even though the data shows that this and dual enrollment has shown small consistent growth year to year, it is still an area of concern given the low numbers overall of students passing AP exams. Continued and more support is needed in this area. Justin Auld suggested that an added activity be paying teachers to provide additional support to AP students by being assigned a caseload of students that they meet with regularly to encourage and support. Brendan Callahan suggested adding an activity where students get to experience an AP class for a day in order to understand the commitment better as well as the workload. Students can visit AP classes and AP teachers can share practice assignments and a syllabus.
 - o SSC reviewed current activities for this goal and will re-visit it again at next meeting to finalize activities and move onto the next goal.
4. Reports from Parent Committees
- English Learners Advisory Committee (ELAC)- Cabeza shared they were having their first meeting today.

Teachers have the monthly opportunity to attend paid workshops and mandatory Early Release Tuesday PD.

All students with multiple Fs were brought in for a group support meeting with administration.
