(a) (1) For the 2020–21 school year, a local educational agency that offers distance learning shall comply with the requirements of subdivision (b).

(2) Distance learning may be offered under either of the following circumstances:

(A) On a local educational agency or schoolwide level as a result of an order or guidance from a state public health officer or a local public health officer.

(B) For pupils who are medically fragile or would be put at risk by in-person instruction, or who are self-quarantining because of exposure to COVID-19.

(b) Distance learning shall include all of the following:

(1) Confirmation or provision of access for all pupils to connectivity and devices adequate to participate in the educational program and complete assigned work.

(2) Content aligned to grade level standards that is provided at a level of quality and intellectual challenge substantially equivalent to in-person instruction.

(3) Academic and other supports designed to address the needs of pupils who are not performing at grade level, or need support in other areas, such as English learners, pupils with exceptional needs, pupils in foster care or experiencing homelessness, and pupils requiring mental health supports.

(4) Special education, related services, and any other services required by a pupil's individualized education program pursuant to Section 56341, including the requirements of subparagraph (A) of paragraph (9) of subdivision (a) of Section 56345, with accommodations necessary to ensure that individualized education program can be executed in a distance learning environment.

(5) Designated and integrated instruction in English language development pursuant to Section 11300 of Title 5 of the California Code of Regulations for English learners, including assessment of English language proficiency, support to access curriculum, the ability to reclassify as fully English proficient, and, as applicable, support for dual language learning.

(6) Daily live interaction with certificated employees and peers for purposes of instruction, progress monitoring, and maintaining school connectedness. This interaction may take the form of internet or telephonic communication, or by other means permissible under public health orders. If daily live interaction is not feasible as part of regular instruction, the governing board or body of the local educational agency shall develop, with parent and stakeholder input, an alternative plan for frequent live interaction that provides a comparable level of service and school connectedness.

(a) The compulsory education requirements described in Section 48200 continue to apply for the 2020–21 school year.

(b) A local educational agency shall offer in-person instruction to the greatest extent possible.

(c) For the 2020–21 school year, for purposes of the requirement on school districts to offer 180 instructional days per school year pursuant to Section 46208 and the requirement on charter schools to offer 175 instructional days per school year pursuant to Section 11960 of Title 5 of the California Code of Regulations, an instructional day is a day in which all pupils are scheduled for the length of the day established by the governing board or body of the local educational agency in a classroom under the immediate supervision of a certificated employee or in distance learning that meets the minimum requirements described in this part.

(d) (1) Each local educational agency shall document daily participation for each pupil on each school day, in whole or in part, for which distance learning is provided. A pupil who does not participate in distance learning on a school day shall be documented as absent for that school day.

(2) For purposes of this section, daily participation may include, but is not limited to, evidence of participation in online activities, completion of regular assignments, completion of assessments, and contacts between employees of the local educational agency and pupils or parents or guardians.

(e) Each local educational agency shall ensure that a weekly engagement record is completed for each pupil documenting synchronous or asynchronous instruction for each whole or partial day of distance learning, verifying daily participation, and tracking assignments.

(f) (1) A pupil who does not participate daily in either in-person instruction pursuant to subdivision (b) or distance learning pursuant to subdivision (d) shall be deemed absent by the local educational agency. A local educational agency shall use documentation of the absence for purposes of reporting its chronic absenteeism rates in its local control and accountability plan.

(2) Each local educational agency shall develop written procedures for tiered reengagement strategies for all pupils who are absent from distance learning for more than three schooldays or 60 percent of the instructional days in a school week. These procedures shall include, but are not limited to, verification of current contact information for each enrolled pupil, daily notification to parents or guardians of absences, a plan for outreach from the school to determine pupil needs

For purposes of this paragraph, the percentage of days out of compliance is equivalent to the number of days out of compliance divided by the total number of instructional days required to be offered.

(3) A local educational agency that provides distance learning shall not be penalized for instruction provided before September 1, 2020, that fails to meet the requirements of this section.
