**Alvord Board of Education Announces Dr. Robert E. Presby as
New Assistant Superintendent, Human Resources**

The Alvord Unified School District is pleased to announce that Dr. Robert Edwin Presby has been named the Assistant Superintendent, Human Resources, effective January 7, 2019. Dr. Presby follows Sue Boyd, who has moved to the position of Assistant Superintendent, Student Services.

Dr. Presby began his career in education over 20 years ago with the Orange County Department of Education where he taught in the Juvenile Hall program. He then taught English as a foreign language for 3 years in Japan. Upon his return to California, he taught English, history, and math at Jordan Intermediate and Santiago High school in the Garden Grove Unified School District. He worked for five years as an Assistant Principal in Irvine and in Garden Grove. He then became the Principal of Serrano Intermediate School in the Saddleback Valley Unified School District, before accepting his current assignment as the Director of Human Resources, also in Saddleback Valley, a position he has held for the past six years.

Dr. Presby attended California State University, Fullerton, where he received a B.A. in History. He then attended Azusa Pacific University where he received his M.A. in Educational Administration. He earned his doctorate in Organizational Leadership from the Brandman School at Chapman University.

Board President Robert Schwandt commented, "After the Board met with Dr. Presby earlier in the week, I believe I can speak for the entire Board when I say we are thrilled to have Bob join our team and we look forward to a long and successful tenure in Alvord. And I know he is looking forward to supporting our students, staff, and community for many years to come."

Bob's wife Kathy is an educator too, currently working as a private college entrance counselor. Their daughter Rachel is a freshman at the Orange County School of the Arts. Their son Evan is a 3rd grader at the Santiago STEAM Academy. They reside in Mission Viejo. Dr. Presby begins his new assignment on January 7, 2019.
