2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fq/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Orrenmaa Elementary School is located in the western region of Riverside and serves students in grades transitional kindergarten through five following a traditional calendar.

At Orrenmaa, we create a school environment where ALL students, staff and the community are empowered with a growth mindset for learning. Orrenmaa Elementary School utilizes a comprehensive and equitable framework designed to create a unique culture that develops the social, emotional, physical and academic rigor of the students, staff, families and community. All community partners are included in making data driven decisions designed for differentiated instruction and 21st century learning. Through this framework we have agreed that with collaboration, data driven instruction, and a focus on student needs we will empower students, staff and the community with a growth mindset for learning in a culture that nurtures the skills to achieve lifelong excellence. This is accomplished through expanding professional development of all staff, engaging families and involving the community.

Mission Statement

Alvord Unified School District, a dynamic learning community that embraces innovation, exists to ensure all students attain lifelong success through a system distinguished by:

- Active and inclusive partnerships
- Relationships that foster a culture of trust and integrity
- High expectations and equitable learning opportunities for all
- A mindset that promotes continuous improvement
- Multiple opportunities for exploration and creativity
- Professional development that promotes quality teaching and learning
- Access to learning experiences that promote a high quality of life

In addition, all schools strive to attain the Alvord vision that all students will realize their unlimited potential.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

On September 16, 2021, Alvord Unified School District's Board of Education held a public hearing to comply with requirements of Education Code Section 60019. Information provided at the public hearing detailed (1) the extent to which standards-aligned textbooks and instructional materials were provided to all students, including English learners; (2) the definition of "sufficient textbooks or instructional materials" means each student has a textbook or materials, or both, to use in class and to take home and does not mean the district is required to have two sets of textbooks for each student; (3) sufficient textbooks and instructional materials were provided to each student, including English learners, in math, English language arts & English language development, history-social science, and science; (4) sufficient textbooks and instructional materials were provided to each student enrolled in foreign language and health classes; and (5) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-12. During this hearing, the governing board determined that Alvord Unified School District provided each student with sufficient textbooks and instructional materials aligned to the California academic content standards consistent with the cycles and content of the California curriculum frameworks.

In addition, Alvord Unified School District has sufficient standards-aligned textbooks and instructional materials for all students, including English learners, enrolled in visual and performing arts classes. Developing a long-term textbook adoption plan for textbooks is in process.

School uses the governing board adopted textbooks and instructional materials as detailed in the table:

School Facility Conditions and Planned Improvements

Orrenmaa Elementary School, built in 1965, is located on 9.9 acreage. Its square footage totals 46,749. The school has 30 permanent classrooms, one portable classroom, four sets of restrooms, one cooperative learning space, one multipurpose room, and one library. On-going campus improvements and maintenance ensure facilities are up to date and provide adequate space for students and staff.

Alvord Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California OPSC. Results of this survey are available in the school office or at the district. In addition, district maintenance staff makes repairs necessary to keep the school in good repair and working order. A district-wide work order process is used to ensure efficient service and to prioritize repairs.

The school is cleaned on a regular basis with one day custodian and one evening custodian who work with the principal to develop a cleaning schedule to maintain a clean and safe environment for all students before, during and after the instructional day.

* All FIT report repairs described in the following table are completed, in progress, or planned for repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

For any 2020-2021 data cells with N/T values indicate that this school did not test students using the CAASPP Science.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parents are welcome at school and are encouraged to get involved by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

The school communicates with parents about upcoming events through parent conferences, progress reports, school newsletters, Peachjar, phone calls, the school website: www.alvordschools.org/domain/15, YouTube: [orrenmaaelementary](https://www.youtube.com/channel/UCorrenmaa), and Twitter: [@orrenmaaowls](https://twitter.com/orrenmaaowls). Teachers use Class Dojo and Google Classroom to connect with students and families. Contact the school office at (951) 358-1635 for more information on how to become involved in your child's learning environment.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.53	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

The Comprehensive School Safety Plan was discussed with staff, evaluated, amended, reviewed, and updated in December, 2021. This plan, developed in collaboration with the school, local agencies and the district office, fulfills all legal requirements and complies with EC 32280-89. A school disaster preparedness plan that deals with a wide variety of emergency situations is included into the School Safety Plan. Earthquake, fire, and lockdown drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of current status of school crime; dress code policy; child abuse reporting procedures; routine and emergency disaster procedures; safe movement of students, parents and staff to and from school; maintaining a safe and orderly school environment; sexual harassment policy; safety procedures; suspension, expulsion, and mandatory expulsion policies; teacher notification of dangerous students policy; anti-bullying policy; and school discipline rules and procedures pursuant to EC 35291 and 35291.5.

Professional Development

All staff members participate in professional development offered by the school. In addition, many staff members participate in additional trainings appropriate for individual needs or for specific programs sponsored by the district through departments. Site professional development is held during early release and grade level/subject collaboration days. These collaborations focus on the cycle of inquiry and plan for first, best instruction after a review of standards and students results on formative and summative assessments. District professional development includes release days and after school workshops. When appropriate to meet the needs of students, staff attends conferences. District instructional coaches and site academic coaches support certificated and paraprofessional staff by providing workshop opportunities, individual mentoring, and in-class coaching. New teachers are supported by the Teacher Induction Program that includes coaching and mentoring. Classified paraprofessionals and support staff attend job-related training provided by the site and district.

During 2020-21, Orrenmaa Elementary School's professional development focused on Math common core state standards, English learner needs, Early Numeracy, and Cognitively Guided Instruction (CGI).

Alvord Unified School District provided professional development for teachers and support staff in 2020-21 on various topics related to state mandated assessments (SBAC, ELPAC), special education assessments, interim assessments, formative assessments (PELI, iReady), student data chats, Aeries/CALPADS data management for specific school staff, instructional strategies for English learners, interventions with Wonderworks, behavior supports, mandated special education forms/plans, crisis response, student success teams, and Aeries gradebook.

The annual number of school days dedicated to staff development and/or collaboration are attended by either all staff, grade level teams, or subject level teachers:

2018-19: 20
2019-20: 23
2020-21: 23

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
