

*Tail Gunner*

by Iron Maiden

Trace your way back 50 years  
To the glow of Dresden, blood and tears  
In the black above by the cruel searchlight  
Men will die and men will fight, yeah

Who shot who and who fired first?  
Dripping death to whet the blood thirst  
No radar lock on, skin and bone  
The bomber boys are goin' home

Climb into the sky never wonder why, tailgunner  
You're a tailgunner  
Climb into the sky never wonder why, tailgunner  
You're a tailgunner

Climb into the sky never wonder why, tailgunner  
You're a tailgunner  
Climb into the sky never wonder why, tailgunner  
You're a tailgunner

Nail that Fokker kill that son  
Gonna blow your guts out with my gun  
The weather forecasts good for war  
Cologne and Frankfurt, have some more

Tail end Charlie in the boiling sky  
The Enola gay was my last try  
Now that this tailgunners gone  
No more bombers, one big bomb

Climb into the sky never wonder why, tailgunner  
You're a tailgunner  
Climb into the sky never wonder why, tailgunner  
You're a tailgunner

Climb into the sky never wonder why, tailgunner  
You're a tailgunner  
Climb into the sky never wonder why, tailgunner  
You're a tailgunner
