Classified Employee of the Month: Human Resources and Student Services are proud to recognize **Mia Fergeson-Santos**, ASP Facilitator, as the Alvord Unified School District Classified Employee of the Month for August 2017 and the After School Program Employee of the Year for the 2016-17 school year.

Facilitators are responsible for overseeing staff and students daily in an afterschool setting to ensure academic success, student and staff safety, and building enrichment through disguised hands-on learning activities. Mia is an Alvord USD graduate and returned to work with our After School Programs as a line staff program lead through the YMCA in 2008. She became a facilitator in 2011. Mia holds a Bachelor's Degree in Psychology and is currently working towards her Master's Degree in Psychology through the University of Phoenix.

Mia was chosen as the After School Program Employee of the Year for the 2016-17 school year because of her work performance. She ensures tasks are done on time, if not ahead of time. She is well liked and respected by parents, students and her peers. Mia is an excellent team player and has attended workshops to become a trainer. This year she has taken new staff under her wing to aid in their site training. Mia is quiet and professional, and I am sure others would agree she definitely cares about the students and gives her all to ensure the students are successful.
