Assemblymember Sabrina Cervantes office. He thanked everyone for their support and patience and reported that he is ready to work another four years.

5. **Special Recognition:** The Alvord Unified School District recognized and congratulated Quyen Nguyen, Coordinator, Student Information Systems for being selected as both Alvord's and RCOE's Classified Administrator of the Year for 2017.

Special Recognition**PRESENTATION**

6. **Receive and File - 2015-2016 Annual Report – Citizens' Oversight Committee:** The 2015-2016 COC Annual Report was unanimously approved at a regularly scheduled meeting of the Citizens' Oversight Committee on May 22, 2017. This report included the Annual Report from the Citizens' Oversight Committee and the Detail Bond Expenditure Report.

Presentation

Ben Johnson, COC President, reported that he has had a great experience serving on the COC and has seen great work from the district. He reported that in 2015-2016 there were not enough members, so the COC did not meet. This year the Committee has met at least 3 times and visited Terrace Elementary School to see the work that is being done there. He reported that the COC has determined that expenditures were in line with the Bond's guidelines and there were no findings in the Audits. They confirmed that Bond monies were spent on construction, with no monies spent on salaries or administrative costs.

Robert Schwandt congratulated Ben Johnson for taking the lead and being a part of the COC.

Hearing Session: President Kaspereen extended an invitation to the audience to present matters of concern to the Board. The following individuals came forward:

HEARING SESSION

- Michelle Rocha, new band president at La Sierra High School, announced that she is excited about the band's progress and is looking forward to the new year. She looks forward to working with the Board in making this an outstanding year for the students.
- Maria Cornejo, teacher, commends Mr. Schwandt's effort to silence Mr. Barragan. She reported that Mr. Barragan sent an e-mail to all teachers asking to meet with them to discuss concerns and asked that the teachers not use District email, so it could be kept off the record. At the meeting, he slammed the teachers for making too much money, but yet smiles and takes pictures with them. Ms. Cornejo asked the Board to censure Mr. Barragan to show that we don't tolerate hate. She also asked staff, teachers and students to join any effort to recall Mr. Barragan.
- Jessica Swanson, Band teacher at La Sierra High School, reported that the band had an incredible season last year. They have shown marked improvement in 3 years versus the usual 5 years. Last year they won in their jazz band competition and this year they had a unanimous Superior rating.

Strategic Plan ~ Beliefs***We Believe: Everyone has a right to a world-class education***

Not every teacher gets to experience things like this. Ms. Swanson wanted to piggyback on the previous speaker. She moved from Iowa to California in 2004 and her pay went up 52% but her cost of living went up by 57%. She disagrees about the lavish salaries of Alvord teachers. She loves her job, the District and Dr. Salazar. She encourages Mr. Barragan to look at the numbers he is given.

- Ray Shipley, community member, told Mr. Barragan that he is real, not made up as he claims. Mr. Shipley has 2 grandchildren here at Alvord and feels we should be looking out for all children. Mr. Shipley directed Mr. Barragan and his friends to never mention him again in any post or he will be forced to take action against Mr. Barragan.
- William Kennedy, Pro Bono Council Member for Mr. Barragan, a former teacher and former union president, spoke in favor of Mr. Barragan. He reported that Mr. Barragan has visited classrooms, and complained about food, and now he's getting censured. Mr. Kennedy urged the Board to turn down the proposed censure of Mr. Barragan.
- Pye Cornejo, teacher, thanked Mr. Schwandt for his Resolution to censor Mr. Barragan. She commented that teachers are political beings, they are in the front line protecting the children. She stated that the Board has endorsed the lies of Mr. Barragan by standing behind him. She asked the Board to censor Mr. Barragan.
- Elsa Barbosa, CSEA President, reported that last week CSEA surveyed its employees about the proposed convocation. 75% said the convocation is unproductive and that they rather be at their sites to prepare for the first day of school. Employees provided some suggestions, and she would like to discuss those ideas at a different time. Ms. Barbosa reported that most classified employees would like Professional Development in their current job.
- Marilyn Whitney, a friend of Mr. Barragan, reported that her children are of mixed races and he has never treated them different. She feels that too many lies have been told of him. She thinks censoring him insults our constitution.
- Teresa Newham, friend of Mr. Barragan, states that Mr. Barragan is not a racist. She commented that hacking of Facebook accounts is the number one crime in the nation. She is also a community advocate and feels that what we are doing to Mr. Barragan because he is young is wrong.
- Damien O'Farrell, President of Raincross Group, a non-partisan group based in Riverside, California that helps people with leadership on important issues in our community, wants to express support and value for Alvord Unified School District and Dr. Sid Salazar. Mr. O'Farrell wants to share how encouraged and impressed he is with Dr. Salazar and Alvord staff and their commitment in the Strategic Plan to develop the character of each unique student. Alvord is making the right moves to meet challenges, he applauds the efforts of leadership and vision.
- Mr. Ramos, community member, wanted to comment on Mr. Barragan's investigation on Facebook and why it was incomplete. There needs to be a more thorough investigation. He feels that the investigation is biased because of friendships.

Strategic Plan ~ Beliefs

We Believe: Everyone has a right to a world-class education

- Gabriela Plascencia, School Counselor and Community member, reported that the Recall Committee members are still moving forward with a recall of Mr. Barragan. Ms. Plascencia urged the Board to step up and censor him. She feels that if Mr. Barragan is allowed to keep dragging Dr. Salazar through the dirt, the District is going to lose partnerships, programs and good employees. She asked the Board to stand by your community, employees, and students and do the right thing.
- Doris Gale, retired CSEA President, has a question about eliminating positions in Separate Action Item Number 15. She is concerned why positions are being eliminated and feels that Alvord should hire classified employees back. She asked the Board not to approve Number 15. She feels that the attacks on Mr. Barragan have been sickening. She feels that teachers are being misinformed. She stated that people are beating on one person because their leader told them to do it. She feels that Mr. Barragan is completely innocent.
- Collett Lee, community member, commented that it saddens her to hear the comments from the audience. She has become involved over the last few years and noticed a change for the better. Alvord has raised its stature and she has heard positive comments. She commented that if Mr. Barragan is not doing any good he needs to relieve himself and let the Board continue to do its work. She reminded everyone that this is about kids, she prays that Mr. Barragan works with his Superintendent and Board Members.
- Scott Andrews, community member, commented that he feels the Resolution for censorship of Mr. Barragan is about other items. He stated that he knows Mr. Schwandt very well, does not believe he wrote the resolution. Mr. Andrews commented that there was a fake account that was attempted to be created as Mr. Barragan and it was not the first time. Mr. Andrews is disappointed, and feels that the Brown Act was violated.

Strategic Plan ~ Beliefs***We Believe: Everyone has a right to a world-class education***

Mrs. Wilson commented on the wonderful things going on in Alvord. Last week she was able to be a part of many seniors graduating in our four high schools. There are also sad times, Alvord is losing some people who are going to different things. We are losing Angelica Hurtado, she will be missed. Josh Moss is going to CBU and will be truly missed.

Robert Schwandt – Mr. Schwandt commented that at the graduations, we had a total of 110 valid Victorians. This success gives the graduates college choices. It's AUSD that gives them the opportunity to do this, and it takes everyone to make this happen. Congratulations to all. Mr. Schwandt highlighted a gift, Terrace PTA donated \$1,000 to the school. Every month PTA's and PTO's make contributions. Mr. Schwandt thanked everyone for their input tonight and commented that we are not going to please everyone all the time.

Julie Moreno – Mrs. Moreno commented that in life there are going to be trials. You will have proud moments and moments that you will regret. Please know that one person can make a difference if they so choose to. I encourage to take a path that leads to fulfillment. Follow your dreams, you will find people that will extend you a hand and lift you up. AUSD does want to do that for our kids.

Joseph Barragan – Mr. Barragan reported that it was an exciting month with all the graduations. He feels that communication is getting a lot better. He would like to utilize everybody's mind and do positive things.

Art Kaspereen – Mr. Kaspereen commented that tonight was a tough night. He said that life is going to be rough and you will be in situations that you will regret. The reason why he stays is for the kids. Please know the children's are always first. He asked that we trust that the Board is here only for the students. Things get rough, but we will get through it. We will try to work together as a team. Mr. Kaspereen wished Angelica well and reported that Mr. Rios is retiring.

Dr. Salazar – Dr. Salazar echoed fact that we need to continue to refocus our energy and actions so that "All students will realize their unlimited potential." Dr. Salazar reported that he and Robert Schwandt had the advantage of being at the RMK Career Day event, and invited everyone to Leadership Riverside next Friday. If you would like to attend, please let us know.
