

Stokoe Elementary ATP Meeting Summary 9-26-19

- ATP Action Plan 2019-2020
 - Team reviewed action plan for the year.
- Event Planning:
 - Team reviewed and discussed Family Science Night (Oct 2nd)
 - Format:
 - 5-530pm PTA Food Sales
 - 530-6pm Science Fair Information Night (MPR)
 - 6-7pm Family Science Night
- Preliminary Event Planning
 - Team discussed Parent Involvement Week: November 18th -22nd
 - Team agreed that the format from last year was effective.
 - Next steps include working with leadership team and grade level teams to select actual dates/times and plan activities.
 - Team will discuss and finalize details next month.
 - Team discussed options for College Quarterly Events.
 - Stokoe Night at CBU Basketball Game is scheduled for Feb 6th. Event will be promoted beginning in January.
 - Team discussed Kids Dig at La Sierra University on Nov 17th from 2-430pm. Flyers for this event will be reviewed next month.
 - Next steps include reaching out to UCR and RCC to see what programs and services might support our families.
- Team discussed upcoming community events. Flyers were distributed as appropriate.
 - College/Career Fair: Oct 3rd Tyler Galleria
 - Pathways to College Readiness: Oct 5th La Sierra HS
 - Long Night of Arts and Innovations: Oct 10th Downtown Riverside
- Long Term Ideas and Plans:
 - Team discussed ideas to expand use of our site museum by encouraging visual arts displays with our students. Some possibilities might include partnering with Riverside Arts Museum. Team will continue to explore options to more effectively utilize our museum.
 - Team discussed options for expanding and promoting literacy during Read Across America. Some possibilities included: hosting a "book float" display night and providing awards for top floats in each grade level; and having a campus book exchange where families donate gently used books and have the opportunity to get new books. Team will continue to explore options to for these events in the spring.
 - Team discussed additional ways to promote events such as having ATP parents pass out flyers before school or having student council representatives hold up posters during morning arrival. Team agreed that monthly calendars have been effective in supporting communication about upcoming events.
- Agenda Building: Oct 24th at 315pm
 - Content Evaluation: Family Science Night
 - Event Planning: Parent Involvement Week
