

# Stokoe Elementary

ATP Meeting Minutes  
12/1/22

Diving in and swimming together!

- Event Analysis--Team evaluated effectiveness of recent events:
  - Family STEAM Night
    - Event strengths
      - Good turn out
      - Lots of parents spending quality time and engaged with their children
      - Good teacher participation
      - Activities engaging and interactive
    - Event areas in need of improvement
      - Classrooms closer to the entrance got hit with crowds earlier and later than the (5th grade) rooms farther away
      - Turn off sprinklers next time so they don't go off and get people wet when they are walking from room to room
    - Possible Solutions
      - Have all activities in a centralized location
      - Have better signage/students helpers to direct families where to go
  - Parent Involvement Week
    - Event strengths
      - Each grade level was able to pick their own day/time/activity that worked for their schedule/interest
      - All grade levels had good participation and positive feedback from parents
        - TK/K did outdoor fall activity rotations
        - 1st grade did turkey squawkers
        - 2nd grade did lunch on the lawn and book reading
        - 3rd grade level collaborated and had families eat lunch outside and go to interactive math stations
        - 4th grade did pumpkin place value
        - 5th grade did catapults; every class had parents attend. Mr. Fleischer had 40% attendance for parents
      - Event was fun and engaging for all
    - Event areas in need of improvement
      - For grade levels that did lunch only, maybe incorporate some other interactive activities
      - Create an opportunity for grade levels to collaborate and share activities and ideas
- Event Planning--Team discussed details for upcoming events
  - Family Literacy Night Night--March 2nd
    - Format:

- In-person,
  - Families can select two different classrooms to go to.
  - Possibly have a general session first where the admin team reads or the PTO presents info.
- Time: 6:00-7:00/7:30 (depending on what our format is)
  - Other details:
    - Include 'healthy snacks' at the end and give students a book to take home
- Read Across America
    - Possible activities:
      - Reading time in the classroom
      - Art project in class
      - "STEM" activity
    - Details: Similar to Parent Engagement Week TBD by each grade level
- Potential Activity/Event Discussion: Team discussed options to expand parent involvement on campus. Ideas included:
    - Monthly Parent Workshops:
      - A designated Tuesday once a month
      - Possible topics:
        - Routines
        - Internet safety
        - Literacy strategies
        - Math strategies
    - Monthly READING Time
      - Beginning of the month on a designated morning
      - First Friday Family Reading Day
      - Event Name Ideas
        - Dive Into a Good Book Day
        - Sailing on a Sea of Books Day
        - Drop Everything And Read- D.E.A.R Family Day
        - First Friday Family Reading Day

Next Meeting: Feb 2, 2023
